Acting Chief, Security Control Staff/SC

Proposed Regulation No.
DISCLOSURES TO THE U. S. CONGRESS

25X1

REFERENCE: Memo from Chief, RCS to Director of Security dtd 18 Mar 54 -
Subject as Above

1. In confirmation of our telephone conversation on 8 September 1954, this is to advise that the General Counsel (Mr. Walter Pforzheimer) and this Office are in accord in the opinion that a detailed separate regulation is not required on the subject of Disclosures to the Congress.

2. In order to afford appropriate regulatory guidance to employees who may receive requests from the Congress for CIA information, it is suggested that the subject could be covered adequately by a short provision in the proposed Liaison and Dissemination regulations
